

GESTRA Steam Traps, Pressure-Powered Pumps, Check Valves, Boiler Controls, Blowdown Systems and Severe Service Control Valves

ACCORD CONTROLS Quarter-Turn Pneumatic and Electric Actuators and Accessories including solenoid valves, limit switches, positioners and filter regulators.

Ball Valves, Full Port, Sizes from ¼" to 12" Pressures up to 2000 PSI WOG, Carbon Steel, 316 Stainless Steel, F NPT , Butt Weld, Socket Weld, Flanged, Tube End OD, Clamp End. Pneumatic Actuators, Flow Measurement Equipment.

Pan Korea- Cast Steel Gates, Globes, Checks - Pressure Seal Gates, Globes, Swing Check, Tilt Disc Valves - Stainless Steel Gates, Globes and Swing Check Valves – Cryogenic Valves and Bellow Seal Valves.

LAROX Abrasion Resistant Pinch Valves and Check Valves for use in abrasive slurries, emulsions, and dry or granular products. Available in 1" through 40", Manual and Automated, Electric, Pneumatic or Hydraulic actuators and accessories.

KUKA – Trunnion Mounted Ball Valves 1" – 36" ANSI Class 150, 300, 600, 1500. Floating Ball Valves ½" – 10" ANSI 150, 300, 600, 1500 and 2500

Smith Forged Steel Gate, Globe and Check Valves for Power, Refining, Petrochemical and other industries.

Axial Flow Control Valves & Angle Body Chokes

AMRI PFA Teflon® and elastomer-lined Butterfly Valves, 1" through 128", ANSI 150 to 600, for Chemical, Power, Mining, Semiconductor, and other industries, providing tight shutoff and zero stem emissions.

Worm Gears, Bevel Gear and Declutchable Gear Operators, Air Torque Pneumatic Actuators.
